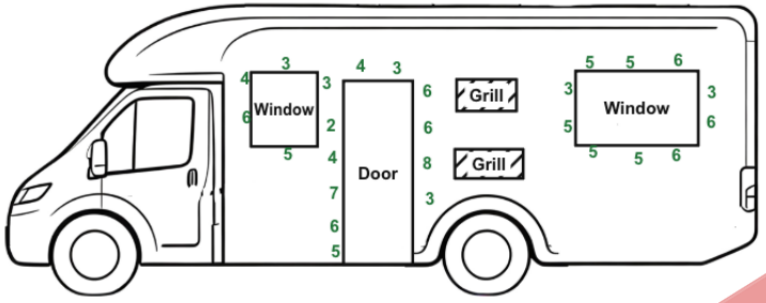
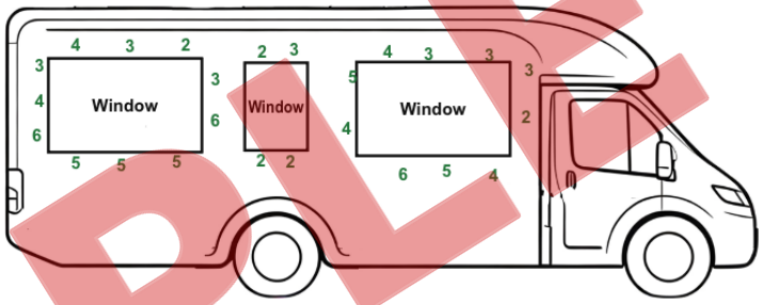
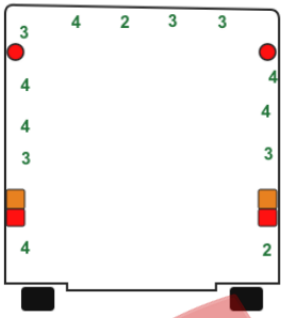
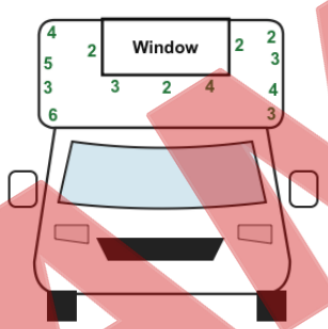
SAMPLE

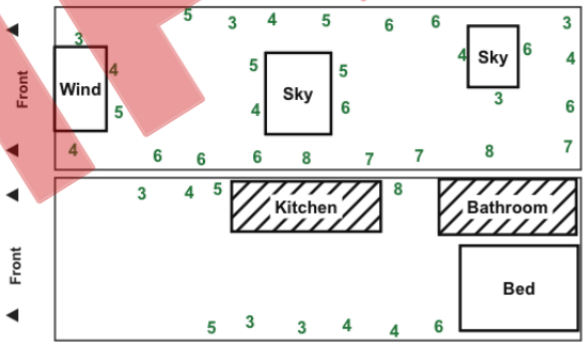
Customer: [redacted] **Make/Model** Bailey **Year** 2018 **VIN:**











Readings:

- 0-15% - No reason for concern.
- 15-20% - May require further investigation. Consider recheck after 3 months.
- 20-30% - Will identify areas needing remedial work. Early signs of water ingress. Consider recheck after 3 months.
- Over 30% - Structural damage may be occurring and deterioration is inevitable.

Comments & Recommendations:

All good reading- protists reader calibrated September 2026 - mild weather for reading

Service Engineer: [redacted] Date: 16.11.2026
